AN EXPRESSION OF APPRECIATION

The Eastern National Livestock Show is pleased to announce that the premiums offered for the 1965 Show are over \$50,000.00. The grand cooperation of the Maryland State Fair Board makes this possible. This year the Fair Board has awarded \$26,055.00 for Fall Show and \$2,022.00 for the 1966 Spring Hog Show. The State Fair Board composed of Frank D. Brown, Jr., Chairman, Port Deposit; Fred C. Ernst, Vice-Chairman, Clear Spring; Richard N. Wills, Secretary, McDonogh; Albert J. Bailey, Hebron; John M. Crum, Frederick; E. Richard Hough, Sr.; W. Lawson King, Gaithersburg; Harry H. Rieck, Preston; Earl C. Robertson, Cumberland; R. Nelson Phelps, Executive Secretary, Timonium, has been very generous.

In addition to the Fair Board the Eastern National Livestock Show is very appreciative of the support of the various beef cattle, swine and sheep breed associations and individuals and organizations who have supported this activity.

Your Directors are continually striving for improvement. We sincerely hope you will enjoy the 19th Eastern National.

The Eastern National

The Eastern National Livestock Show, fourth largest livestock event in the nation, actually had its beginnings 34 years ago. In 1928, a handful of forward-thinking citizens, most of them cattle raisers or meat packers, organized the Baltimore Livestock Show and held their first exhibition at the Baltimore Union Stock Yards.

In the first year, nearly 2,000 head of livestock were shown and later auctioned off for \$247,000. A new world's record of 50 cents a pound for the grand champion load of fat cattle was achieved in that year. . . . It has been exceeded many times since then.

The Baltimore Livestock Show continued at the Baltimore Union Stock Yards through 1946. The next step was taken in 1947.

Limited because of the facilities at the stock yards, the show group decided to make a move to the more spacious Maryland State Fair Grounds, where the huge barns, judging pavilions, restaurant facilities, sale rings and grazing fields offered the finest facilities to exhibitors. The name also was changed to the Eastern National . . . indicative of the show's expansion to something more than a local or area exposition.

Throughout the years, the objective of the show has been **quality**. This emphasis has apparently proved successful because the Eastern National has become the largest and finest livestock show in the East. Paralleled with this advance has been the rise in Baltimore's position in the livestock shipping and meat packing industry to eighteenth in the nation and second in Maryland industry.

Then, too, the Eastern National also stresses the importance of young livestock breeders. Such emphasis has resulted in the show becoming the culmination of all 4-H and F.F.A. livestock endeavors in Maryland and many adjoining states.

Over 200 4-H/F.F.A. members will be exhibiting 400 head of beef, sheep and swine projects at this year's show.

The Eastern National contributes to the strong trend toward a livestock economy in the territory it serves. It provides a medium of stimulus to the greater production of meat for Eastern consumers and also provides a special stimulus to the improvement in the quality of animals. It is one of the twelve regional shows of the country as recognized by the various Breed associations, and is the only regional show located in the East.

The Eastern National is supported almost entirely by memberships . . . by breeders, cattle feeders, the meat packing industry, marketing agencies, businesses, and interested organizations.

It's your "Net" not your "Gross" that counts in a cost price squeeze.
More rapid, more economical gains plus higher grades make all the difference.

E. Brooke Lee Reports . . .

Records and announcements of the American Polled Hereford Association establish that I registered more Polled Hereford calves last year than any other breeder of these great Polled Hereford cattle. My registrations did not include the offspring of the 80 very good cows which Mrs. Lee owns. I have already registered more calves as of July 7, 1965 than at the same date last year.

A Rewarding Work

The young Polled Hereford breeding cattle that we have produced and sold have nearly always done well for others, so this business has the added reward of both being helpful to our customers plus a participation in the improvement of beef cattle in America. The young breeding Polled Hereford cattle offered at our April 1965 sale were sold into 15 states, and in 1964 into 14 states. A further cheerful part of this work is the many pleasant and useful people we meet.

Popular and Profitable Bloodlines

There are many popular and profitable bloodlines among the top producing and best selling Polled Hereford cattle.

I do not propose to try to choose between their relative merit, popularity, or selling value, but plan to continue to produce through line breeding at least six of these currently more popular bloodlines of Polled Hereford cattle that have done the best for us and have sold most strongly for us. These bloodlines have a further great advantage in that many other breeders have assured me that they cross well with other bloodlines. Also, our pedigrees will carry to the calves the names of the great and nationally recognized sires and dams of their respective bloodlines and will so enable the owner to market good cattle as a national rather than a neighborhood product and value.

1. Our programs devote 200 cows to Choice Domino Production with most of our cows from ALF Choice Domino 6, including his great sons, SV Beau Perfection and SV Choice Domino 227.
2. 200 cows used with four good sons of the great BPF Pawnee Mixer.
3. 250 cows with seven CMR bred herd sires, headed by CMR Super Domino 72, CMR Super Lamp, and CMR Rollotrend 85. Half of these cows are CMR bred.
4. 150 cows for Polled Lamplighter production with five herd sires coming from Polled Modest Lamp 2.
5. 100 cows for Domestic Mischief production with sires from Domestic Mischief 6 JFG Domestic Mischief breeding, and OK Diamond 14.
6. 100 cows for Victor Domino production with Gay Hills Victor 135 and Gay Hills Banner 26 as senior herd sires.

The Best in Polled Herefords at Reasonable Prices sums up our program.

You are always invited to visit us here in Upland Maryland where, with reasonable weather, the grass is strong and good and we produce 95% of our feed.

William F. Schluderberg Memorial Classes For Novices

(Open to Maryland 4-H Club or F.F.A. members exhibiting for the first or second time at The Eastern National Livestock Show, Inc.)

We are pleased to announce the continuation of the William F. Schluderberg Memorial Classes for Novices at the Eastern National Livestock Show as a memorial to the late William F. Schluderberg who was President of our company and Vice President of the Eastern National.

Mr. Schluderberg, or "Mr. Will," as he was affectionately known, was a leader in promoting the interests of the Livestock and Agricultural Industries and was always very enthusiastic in his support of 4-H and F.F.A. Club work.

Because we feel that his efforts and support have contributed in a large measure to the growth and development of this project work in this area, this memorial is established to perpetuate his memory and to continue to encourage the 4-H and F.F.A. boys and girls to greater achievement.

Numbers . . .

Over 500 blue ribbon winners, champions and hundreds of other show animals have been purchased by Esskay at the Eastern National Livestock Show since its inception. This represents a sizeable investment.

and . . . we think it one of the wisest investments we've made because we believe in the livestock industry, the 4H and FFA Clubs and think it important we support them.
